First Aid Procedures:

- Swallowing: Do not induce vomiting unless directed to do so by medical personnel. If large quantities of this material are swallowed, call a physician immediately.
- Skin: In case of contact, immediately flush skin with plenty of water. Remove contaminated clothing and shoes. Wash clothing before re-use. Seek medical attention if irritation persists.
- Inhalation: Remove to fresh air. If not breathing, give artificial respiration and oxygen. Get medical attention immediately.
- Eyes: Flush eyes with plenty of water for at least 15 minutes. Get medical attention.

Health studies have shown that health risks vary from person to person. As a precaution exposure to liquids, vapors, misty fumes or dust should be minimized.

---

**VI. REACTIVITY DATA**

- Hazardous Polymerization: Not available.
- Stability: Stable.
- Incompatibility: Strong oxidizing and reducing agents.
- Hazardous Decomposition Products: Thermal decomposition may release hazardous gases.

---

**VII. SPILL OR LEAK PROCEDURES**

Steps to be taken in case material is released or spilled:

Dilute with waer and mop up, or absorb with an inert dry material and place in an appropriate waste disposal container. Finish cleaning by spreading water on the contaminated surface and dispose of according to all local, state, and federal regulations.

---

**VIII. PROTECTION AND PRECAUTIONS**

Respiratory Protection: Use approved vapor respirator if needed.

Ventilation: Provide sufficient ventilation.

Protective Gloves: Rubber.

Eye Protection: Splash goggles.

Other Protective Equipment: Boots and full suit if needed.

---

**IX. PRECAUTIONS OR OTHER COMMENTS**

Precautions to be taken in handling and storing: Maintain good housekeeping. Avoid contact with eyes. Wash thoroughly after handling. Use with adequate ventilation.

The information and recommendations accumulated herein are to the best of Laidlaw's knowledge and belief, accurate and reliable as of the date issued. Laidlaw does not warrant or guarantee their accuracy or reliability, and shall not be liable for any loss or damage arising out of the use thereof.

HMIS and NFPA recommended ratings are based upon the criteria supplied by the developers of these systems together with information supplied to Laidlaw by the manufacturer of this product.
